**Multicerame**, depuis sa création en 2006, est spécialisée dans la fabrication et la commercialisation de carreaux céramiques haut de gamme pour revêtement Sol et Mur.

Dans sa stratégie de croissance, **MULTICERAME** ne cesse d’orienter, de plus en plus et au fil des années, sa production vers les Grands Formats.

Ainsi, **MULTICERAME** a lancé depuis 2020 les formats **60x60** & **30x90** rectifiés qui ont connu un large succès sur le Marché; ce qui lui a permis d’asseoir sa notoriété, son positionnement et d’orienter son projet d’extension de sa capacité de production.

Les données du marché national du carrelage et son analyse ne font que confirmer le besoin en carreaux Grands Formats.

Dans ce cadre **Multicerame**, riche de son expérience dans le domaine et de son image de marque, a décidé d’orienter sa nouvelle extension vers une unité spécialisée en Grands Formats rectifiés et polis. Ce nouvel investissement, démarré en septembre 2023, s’est réalisé par l’acquisition des machines et des équipements de dernière Génération en termes d’économie d’énergie et doté d’une nouvelle Technologie de polissage première au Maroc.

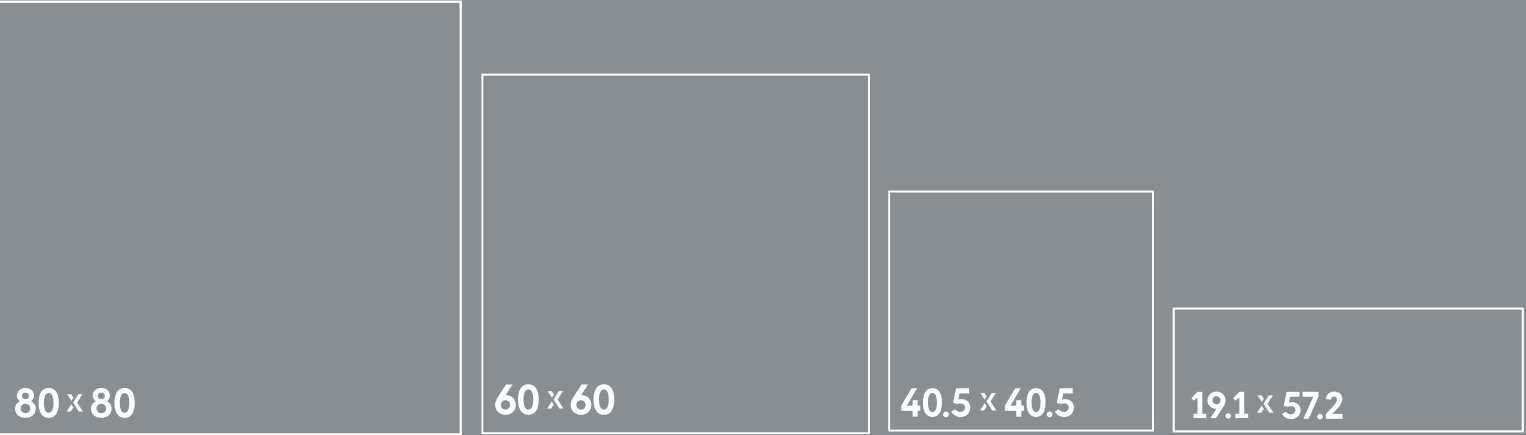

Afin de consolider sa stratégie de spécialisation en production de carreaux Grands formats, **Multicerame** s’est engagé en 2024 sur un programme audacieux de développement de nouveaux formats pour lancer sur le Marché le **60x1,20**, le **80x80** en **MATT** et **POLI**; ainsi que d’autres formats à venir.

Pour mieux exposer sa gamme et son savoir-faire en tendance Haut de Gamme, **MULTICERAME** ouvrira très prochainement un Showroom d’environ 1000 m à Casablanca. Cette plateforme sera un lieu de rencontre des clients et permettra d’inspirer les visiteurs ; Architectes ; Promoteurs ; Décorateurs, BET, Entreprises ... etc.

Depuis le démarrage de son activité, **MULTICERAME** a adopté un Système de Management basé sur les standards **ISO** en différents **certificats ISO 9001, ISO 45001, ISO 14001, ISO 50001, ISO 14069 et NM ISO 13006** et a placé au centre de ses intérêts la satisfaction clients, la formation et la sécurité de ses employés.

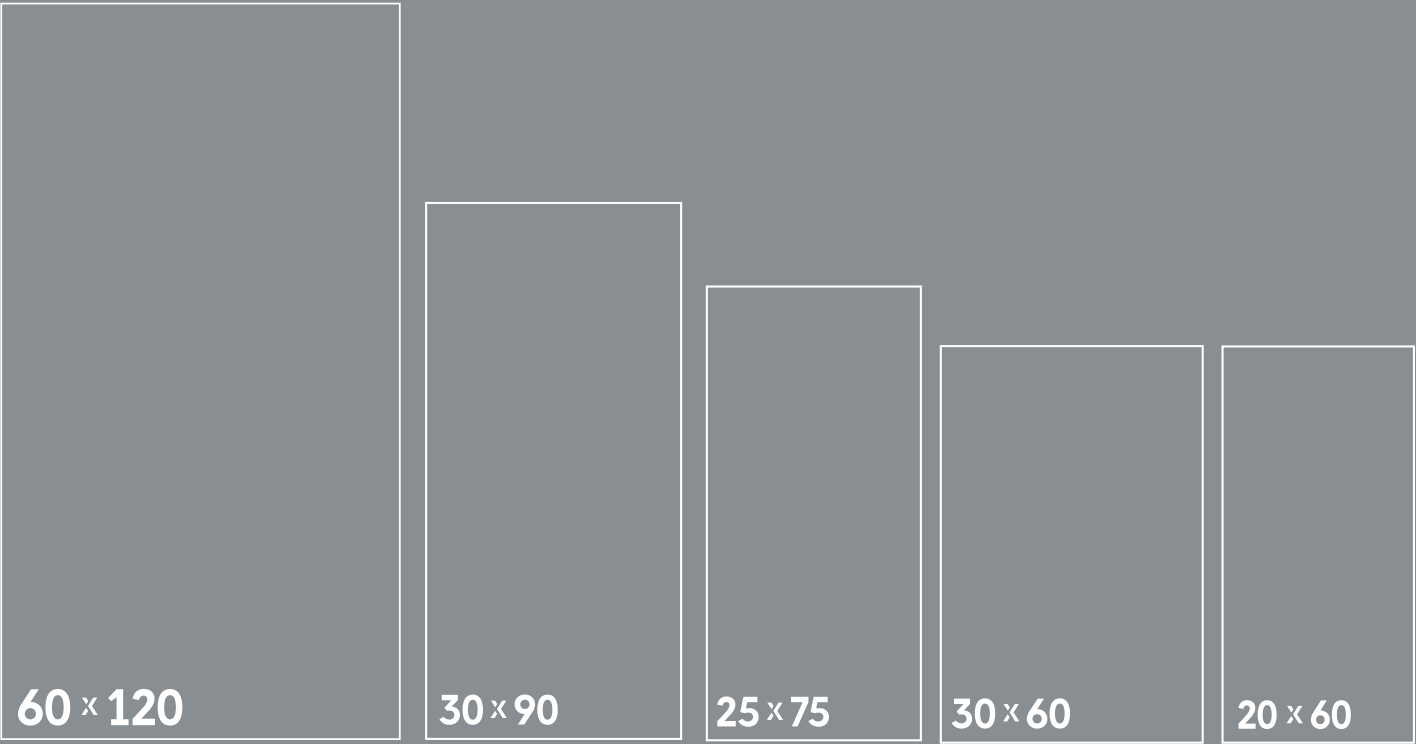

**MULTICERAME** s’est fixé, depuis toujours, l’objectif primordial d’offrir à ses clients et au marché des produits et un service de qualité, répondant aux dernières tendances et respectant les normes internationales.

Grâce à son système de valeurs, à la compétence et l’engagement de ses ressources humaines, **MULTICERAME** se démarque sur son secteur par son pouvoir du style et offre au Marché la gamme la plus large et la plus innovante.

## NOTRE GAMME DE CARRELAGE

Notre société propose une gamme variée de formats de carrelage en céramique adaptés à divers projets architecturaux, qu’il s’agisse de résidences privées, d’espaces commerciaux ou même de grands bâtiments et immeubles. Chaque produit se distingue par sa qualité, son esthétique soignée et sa grande durabilité.
